0164.6 REMOTE PUBLIC BOARD MEETINGS DURING A DECLARED EMERGENCY

A. Purpose – N.J.A.C. 5:39-1.1

1. The purpose of N.J.A.C. 5:39-1.1 et seq. and Bylaw 0164.6 is to ensure a Board of Education or Board of Trustees of a charter school can conduct official public business in an open and transparent manner whenever a declared emergency requires a local public body to conduct a public meeting without physical attendance by members of the public.
2. Nothing in N.J.A.C. 5:39-1.1 et seq. prevents a local public body from holding a remote public meeting under such other circumstances as may be permitted by the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq.

B. Definitions – N.J.A.C. 5:39-1.2

For the purpose of this Bylaw and in accordance with N.J.A.C. 5:39-1.2, the following words and terms have the following meanings, unless the context clearly indicates otherwise:

"Adequate notice" shall have the same definition as at N.J.S.A. 10:4-8; however, for the purpose of N.J.A.C. 5:39-1.1 et seq., and to the extent not otherwise set forth at N.J.S.A. 10:4-8, the notice transmitted to at least two newspapers for publication may occur through electronic mail or other electronic means that is accepted or requested by the newspaper.

"Annual notice" means a schedule of regular meetings of the public body to be held in the succeeding year noticed pursuant to N.J.S.A. 10:4-8 and 10:4-18. For the purpose of N.J.A.C. 5:39-1.1 et seq., the annual notice may be transmitted through electronic mail to newspapers and persons requesting an annual notice pursuant to N.J.S.A. 10:4-18. If the declared emergency prevents the local public body from mailing an annual notice to individuals requesting notice pursuant to N.J.S.A. 10:4-18, it shall be mailed to individuals for whom the local public body does not have an electronic mail account as soon as practicable.

"Board" or "Board of Education" means a Board of Education or a Board of Trustees of a charter school as defined as a "local public body" or "public body" as per N.J.A.C. 5:39-1.2.

"Declared emergency" means a public health emergency, pursuant to the Emergency Health Powers Act, P.L. 2005, c. 222 (N.J.S.A. 26:13-1 et seq.), or a state of emergency, pursuant to P.L. 1942, c. 251 (N.J.S.A. App.A.9-33 et seq.), or both, or a state of local disaster emergency that has been declared by the Governor and is in effect.

"Electronic notice" means advance notice available to the public via electronic transmission of at least forty eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled meeting, which shall accurately state whether formal action may or may not be taken at such meeting.

"Internet" means the international computer network of both Federal and non-Federal interoperable packet switched data networks.

"Live streaming" means the live audio and video transmission of a remote public meeting over the Internet.

"Local public body" means any "public body," as that term is defined in N.J.S.A. 10:4-8, with territorial jurisdiction equal to or less than a county. This term shall include Boards of Education, counties, municipalities, boards and commissions created by one or more counties or municipalities, and any authorities subject to N.J.S.A. 40A:5A-1 et seq., including fire districts and other special districts, along with joint meetings or regional service agencies as defined in N.J.S.A. 40A:65-3.

"Public business" means and includes all matters which relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business.

"Public meeting" means and includes any gathering whether corporeal or by means of communication equipment which is attended by, or open to, all of the members of a public body, held with the intent, on the part of the members of the body present, to discuss or act as a unit upon the specific

public business of that body. Meeting does not mean or include any such gathering (1) attended by less than an effective majority of the members of a public body, or (2) attended by or open to all the members of three or more similar public bodies at a convention or similar gathering.

"Remote public meeting" means a public meeting that is conducted by any means of electronic communication equipment permitted pursuant to N.J.A.C. 5:39-1.1 et seq.

C. Circumstances Under Which a Board of Education May Hold a Remote Public Meeting During a Declared Emergency for Conducting Public Business – N.J.A.C. 5:39-1.3

1. In addition to any circumstances under which public meetings held by means of communication equipment may be authorized pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the Board may hold a remote public meeting to conduct public business during a declared emergency if the emergency reasonably prevents the Board from safely conducting public business at a physical location with members of the public present.
2. If, during a declared emergency, the Board holds a physical meeting in a location where, pursuant to State and/or Federal guidelines meant to mitigate the risk of a contagious infection, the declared emergency necessitates capacity restrictions reducing the number of individuals that can be present in the meeting room to an amount below that reasonably expected for the public meeting by the Board, the Board must either hold the public meeting at another location with adequate capacity for the reasonably expected attendance by the public or hold the public meeting as both an in-person meeting and a remote public meeting.
 - a. As set forth at N.J.A.C. 5:39-1.4(c), no in-person meeting shall proceed if the room capacity does not permit any member of the public to attend.

3. Nothing in N.J.A.C. 5:39-1.3 shall be interpreted to prevent the Board from broadcasting the audio and/or video of, or taking remote public comment during, a public meeting that the public can physically attend without being subject to public health-related capacity restrictions.
- D. Minimum Technological and Procedural Requirements for Remote Public Meetings Necessitated by a Declared Emergency – N.J.A.C. 5:39-1.4
1. If a declared emergency requires the Board to hold a remote public meeting to conduct public business, the Board shall use an electronic communications technology that is routinely used in academic, business, and professional settings, and can be accessed by the public at no cost.
 - a. Participant capacity on the selected platform should be consistent with the reasonable expectation of the public body for public meetings of the type being held and shall not be limited to fewer than fifty public participants (beyond those persons required to conduct business at the meeting).
 2. Remote public meetings may be held by means including, but not limited to, audio-only teleconferencing, electronic communications platforms with video and audio, and Internet-accessible technology, such as live-streaming.
 - a. If an electronic communications platform or Internet-accessible technology is being utilized for a remote public meeting, a telephonic conference line shall also be provided to allow members of the public to dial-in by telephone to listen and provide public comment as otherwise required by law.
 - b. The Board [X shall shall not] require members of the public to state, prior to providing public comment, whether they wish to speak and to identify themselves prior to speaking.

 - a. If a remote public meeting is held by audio and video, the public shall also have the opportunity to participate in the meeting in both audio and video capacities.
 - b. The Board meeting held in-person shall not prohibit members of the public from attending in-person.
4. Any remote public meeting where sworn testimony is being taken shall be broadcast by video, as well as by audio.
 - a. All individuals giving sworn testimony at a remote public meeting shall appear by video in addition to audio.
5. Any presentations or documents that would otherwise be viewed or made available to members of the public physically attending the Board meeting shall be made visible on a video broadcast of the remote public meeting or made available on the Internet website or webpage of the entity governed by the Board, or the Internet website or webpage of the entity responsible for appointing the members of the Board.
 - a. If a document would be made available to individual members of the public in hard copy while physically attending the meeting, the document shall be made available in advance of the meeting for download through an internet link appearing either on the meeting notice, or near the posting of the meeting notice, both on the website and at the building where the meeting would otherwise be held.
 - b. If the Board does not have its own website, such documents shall be available upon request ahead of the meeting and provided through an official social media account if one exists.

Each comment shall be read from the beginning, until the time limit is reached. The Board may pass over duplicate written comments; however, each duplicate comment shall be noted for the record with the content summarized. If the Board elects to summarize duplicative comments, the Board must not summarize certain duplicative comments while reading other duplicative comments individually.
7. The electronic communications technology used for a remote public meeting must have a function that allows the Board to mute the audio of all members of the public, as well as allow members of the public to mute themselves.

 - b. A telephonic audio conference call line must have a queueing or similar function for regulating public comment.
8. Subject to D.5. and D.6. above, the Board shall adopt, by resolution, standard procedures and requirements for public comment made during a remote public meeting, as well as for public comments submitted in writing ahead of the remote public meeting.
- a. Such procedures and requirements shall include standards of conduct to be followed by members of the public when making comment.
 - b. The procedures and requirements for making public comment, along with an explanation of the audio muting function of the electronic communications platform being used, shall be announced at the beginning of the remote public meeting.
 - c. Regulation of conduct by members of the public on a remote public meeting shall be consistent with law and practices followed if a member of the public disrupts an in-person meeting. The following procedures shall be incorporated:

 - (a) Disruptive conduct includes sustained inappropriate behaviors, such as, but not necessarily limited to, shouting, interruption, and use of profanity.
 - (3) A member of the public who continues to act in a disruptive manner after receiving an initial warning may be muted while other members of the public are allowed to proceed with their questions or comments.

 - a. Necessary for the continuing operation of government and which relate to the emergency declaration connected with the declared emergency; or
 - b. Requiring decision during the remote public meeting due to imminent time constraints.
4. Nothing in N.J.A.C. 5:39-1.5 prohibits the Board from holding a remote public meeting, notwithstanding the failure to provide adequate notice and electronic notice where permitted pursuant to N.J.S.A. 10:4-9.

 - (1) Notice must also be posted on the door for any designated and clearly delineated handicap accessible entrance. These notices must be viewable from the outside.

1643 FAMILY LEAVE

The Board of Education will provide family leave to staff members in accordance with the New Jersey Family Leave Act (NJFLA) and the Federal Family and Medical Leave Act (FMLA). These laws have similar and different provisions that provide different rights and obligations for a staff member and the Board.

If a staff member is eligible for leave for reasons recognized under both the FMLA and NJFLA, then the time taken shall run concurrently and be applied to both laws. The NJFLA provides twelve weeks leave in a twenty-four month period and the FMLA provides twelve weeks leave in a twelve month period

Base hours shall include overtime hours for which a staff member is paid additional or overtime compensation, and hours for which a staff member receives workers’ compensation benefits. Base hours shall also include hours a staff member would have worked except for having been in military service. "Employee" means a staff member eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

"Hours of Service" means hours actually worked by the employee. It does not mean hours paid. Thus, non-working time – such as vacations, holidays, furloughs, sick leave, or other time-off (paid or otherwise) – does not count for purposes of calculating FMLA eligibility for the employee.

- (2) If a staff member needs FMLA leave intermittently or on a reduced FMLA leave schedule for planned medical treatment, then a staff member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations.
- (3) When a staff member takes FMLA leave on an intermittent or reduced FMLA leave schedule basis, the Board must account for the FMLA leave using an increment no greater than the shortest period of time that the Board uses to account for use of other forms of leave provided that it is not greater than one hour and provided further that a staff member's FMLA leave entitlement may not be reduced by more than the amount of FMLA leave actually taken.
 - (a) If the Board accounts for use of leave in varying increments at different times of the day or shift, the Board may not account for FMLA leave in a larger increment than the shortest period used to account for other leave during the period in which the FMLA leave is taken.
 - (b) If the Board accounts for other forms of leave use in increments greater than one hour, the Board must account for FMLA leave use in increments no greater than one hour.

5. Staff Member Notice Requirements

- a. A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the FMLA leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of a staff member or a family member.

POLICY GUIDE

ADMINISTRATION

Family Leave

- (1) If thirty days is not practical, a staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case.
- (2) Where it is not possible to give as much as thirty days' notice, "as soon as practical" ordinarily would mean at least verbal notification to the Superintendent or designee within one or two business days or when the need for FMLA leave becomes known to a staff member.
- (3) The written notice shall include the reasons for the FMLA leave, the anticipated duration of the FMLA leave, and the anticipated start of the FMLA leave.
- (4) When planning medical treatment, a staff member must consult with the Superintendent or designee and make a reasonable effort to schedule the FMLA leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider.
 - (a) Staff members are ordinarily expected to consult with the Superintendent or designee prior to scheduling of treatment that would require FMLA leave for a schedule that best suits the needs of the Board and a staff member.
- (5) Intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule must be medically necessary due to a serious health condition or a serious injury or illness. A staff member shall advise the Board of the reasons why the intermittent/reduced FMLA leave schedule is necessary and of the schedule for treatment, if applicable.

- (a) A staff member and the Board shall attempt to work out a schedule for such FMLA leave that meets a staff member's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider.
- (6) Where a staff member does not comply with the Board's usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA-protected leave may be delayed or denied.
- b. When the approximate timing of the need for FMLA leave is not foreseeable, a staff member should give notice to the Superintendent or designee for FMLA leave as soon as practicable under the facts and circumstances of the particular case.
 - (1) It is expected a staff member will give notice to the Superintendent or designee within no more than one or two business days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not foreseeable.
 - (2) A staff member should provide notice to the Board either in person, by telephone, telegraph, fax machine, email, or other electronic means.
- 6. Outside Employment During FMLA Leave
 - a. A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom a staff member did not provide services immediately prior to commencement of the FMLA leave.
 - (1) A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the Board.

- (2) A staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that a staff member was regularly scheduled prior to such FMLA leave.

7. “Instructional Employees” Exceptions for FMLA Leave

- a. “Instructional Employees” are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired.
 - (1) Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers, and/or bus drivers are not considered instructional staff members for the purposes of this Policy.
 - (2) For purposes of this Policy “Instructional Employees” shall be referred to as “Instructional Staff Members”.
- b. “Semester” means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. The Board can have no more than two semesters in a school year.
- c. FMLA leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive FMLA leave.

Family Leave

- d. Eligible instructional staff members that need intermittent or reduced FMLA leave to care for a family member or for a staff member's own serious health condition which is foreseeable based on planned medical treatment and would be on FMLA leave more than twenty percent of the total number of working days over the period the FMLA leave would extend, the Board may:
 - (1) Require a staff member to take the FMLA leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
 - (2) Transfer a staff member temporarily to an available alternative position for which a staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of FMLA leave than does a staff member's regular position.
- e. If the instructional staff member does not give the required notice for FMLA leave that is foreseeable and desires the FMLA leave to be taken intermittently or on a reduced FMLA leave schedule, the Board may require a staff member to take FMLA leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the Board may require a staff member to delay taking the FMLA leave until the notice provision is met.
- f. If an instructional staff member begins FMLA leave more than five weeks before the end of the school year, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
 - (1) The FMLA leave will last three weeks; and
 - (2) A staff member would return to work during the three-week period before the end of the semester.

- g. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the five week period before the end of the semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
 - (1) The FMLA leave will last more than two weeks; and
 - (2) The staff member would return to work during the two week period before the end of the semester.
- h. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the three week period before the end of a semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if the FMLA leave will last more than five working days.
- i. An example of FMLA leave falling within the situations outlines in B.7.f., B.7.g., and B.7.h. above:
 - (1) If a staff member plans two weeks of FMLA leave to care for a family member which will begin three weeks before the end of the term, the Board could require a staff member to stay out on FMLA leave until the end of the term.
- j. In the case of a staff member who is required to take FMLA leave until the end of an academic term, only the period of FMLA leave until a staff member is ready and able to return to work shall be charged against a staff member's FMLA leave entitlement.
- k. The Board may require a staff member to stay on FMLA leave until the end of the school term. Any additional leave required by the Board to the end of the school term is not counted as FMLA leave; however:

- c. Military caregiver FMLA leave provides care for a covered servicemember with a serious injury or illness in accordance with 29 CFR §§825.122 and .127:

9. Verification

- a. The Board shall require that a staff member's FMLA leave to care for a staff member's covered family member with a serious health condition, or due to a staff member's own serious health condition that makes a staff member unable to perform one or more of the essential functions of a staff member's position, be supported by a certification issued by the health care provider of a staff member or a staff member's family member.
 - (1) The Board must give written notice of a requirement for certification each time a certification is required. The Board's oral request to a staff member to furnish any subsequent certification is sufficient.
- b. The Board shall require a staff member furnish certification at the time a staff member gives notice of the need for FMLA leave or within five business days thereafter, or, in the case of unforeseen FMLA leave, within five business days after the FMLA leave commences.
 - (1) The Board may request certification at some later date if the Board later has reason to question the appropriateness of the FMLA leave or its duration.
 - (2) A staff member must provide the requested certification to the Board within fifteen calendar days after the Board's request, unless it is not practicable under the particular circumstances to do so despite a staff member's diligent, good faith efforts or the Board provides more than fifteen calendar days to return the requested certification.
- c. When FMLA leave is taken because of a staff member's own serious health condition, or the serious health condition of a family member, the Board shall require a staff member to obtain a medical certification from a health care provider that sets forth the following information:

POLICY GUIDE

ADMINISTRATION

- (1) The name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
- (2) The approximate date on which the serious health condition commenced, and its probable duration;
- (3) A statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for FMLA leave.
 - (a) Such medical facts may include information on symptoms, diagnosis, hospitalization, doctor visits, whether medication has been prescribed, any referrals for evaluation or treatment (physical therapy, for example), or any other regimen of continuing treatment;
- (4) If a staff member is the patient, information sufficient to establish that a staff member cannot perform the essential functions of a staff member's job as well as the nature of any other work restrictions, and the likely duration of such inability;
- (5) If the patient is a covered family member with a serious health condition, information sufficient to establish that the family member is in need of care, and an estimate of the frequency and duration of the FMLA leave required to care for the family member;
- (6) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for planned medical treatment of a staff member's or a covered family member's serious health condition, information sufficient to establish the medical

necessity for such intermittent or reduced schedule FMLA leave and an estimate of the dates and duration of such treatments and any periods of recovery;

- (7) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for a staff member's serious health condition, including pregnancy, that may result in unforeseeable episodes of incapacity, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the frequency and duration of the episodes of incapacity; and

- (8) If a staff member requests FMLA leave on an intermittent or reduced schedule basis to care for a covered family member with a serious health condition, a statement that such FMLA leave is medically necessary to care for the family member, which can include assisting in the family member's recovery, and an estimate of the frequency and duration of the required FMLA leave.

- d. A staff member may choose to comply with the certification requirement by providing the Board with an authorization, release, or waiver allowing the Board to communicate directly with the health care provider of a staff member or his or her covered family member.

- (1) It is a staff member's responsibility to provide the Board with complete and sufficient certification and failure to do so may result in the denial of FMLA leave.

- e. If the Board has reason to doubt the validity of a medical certification, the Board may require a staff member to obtain a second opinion at the Board's expense.

POLICY GUIDE

ADMINISTRATION

1643/page 35 of 41

Family Leave

- (1) The Board may designate the health care provider to furnish the second opinion, but the selected health care provider may not be employed on a regular basis by the Board.
- f. If the opinions of a staff member's and the Board's designated health care providers differ, the Board may require a staff member to obtain certification from a third health care provider, again at the Board's expense. This third opinion shall be final and binding. The third health care provider must be designated or approved jointly by the Board and the staff member.

10. Reinstatement Following FMLA Leave

- a. On return from FMLA leave a staff member is entitled to be returned to the same position a staff member held when FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
 - (1) A staff member is entitled to such reinstatement even if a staff member has been replaced or his or her position has been restructured to accommodate for a staff member's absence.
 - (2) The requirement that a staff member be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.
- b. Denial of Reinstatement
 - (1) A staff member has no greater right to reinstatement or to other benefits and conditions of employment that if a staff member had been continuously employed during the FMLA leave period.

POLICY GUIDE

ADMINISTRATION

1643/page 36 of 41

Family Leave

- (a) The Board must be able to show that a staff member would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.
- (2) The Board may deny job restoration to “key employees”, if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Board.
 - (a) A “key employee” is a salaried FMLA-eligible staff member who is among the highest paid ten percent of all staff members employed by the Board within seventy-five miles of a staff member's worksite.
- (3) If a staff member is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition or an injury or illness also covered by workers' compensation, a staff member has no right to restoration to another position under the FMLA.
 - (a) The Board's obligation may, however, be governed by the Americans with Disabilities Act, State leave law, or workers' compensation laws.
- (4) A staff member who fraudulently obtains FMLA leave from the Board is not protected by FMLA's job restoration or maintenance of health benefits provisions.

POLICY GUIDE

ADMINISTRATION

1643/page 37 of 41

Family Leave

c. Intent to Return to Work

- (1) The Board may require a staff member on FMLA leave to report periodically on a staff member's status and intent to return to work.

d. Fitness for Duty Certification

- (1) As a condition of restoring a staff member whose FMLA leave was a result of a staff member's own serious health condition that made a staff member unable to perform a staff member's job, the Board shall require all similarly-situated staff members (i.e., same occupation, same serious health condition) who take FMLA leave for such conditions to obtain and present certification from a staff member's health care provider that a staff member is able to resume work.
- (2) A staff member has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process.

11. The Board of Education Notice

a. Notice of Staff Member Rights Under FMLA

- (1) The Board shall post and keep posted on its premises, in conspicuous places where staff members are employed, a notice explaining the FMLA's provisions and providing information concerning the procedures for filing complaints of violations of the FMLA with the Wage and Hour Division.
 - (a) The notice will be posted prominently where it can be readily seen by staff members and applicants for employment.

POLICY GUIDE

ADMINISTRATION

1643/page 38 of 41

Family Leave

- (b) The poster and the text will be large enough to be easily read and contain fully legible text.
 - (c) Electronic posting is sufficient to meet this posting requirement as long as it otherwise meets the requirements of B.11.
 - (2) The Board shall also provide this general notice to each staff member by including the notice in staff members' handbooks or other written guidance to staff members concerning staff member benefits or FMLA leave rights, if such written materials exist, or by distributing a copy of the general notice to each new staff member upon hiring. In either case, distribution may be accomplished electronically.
 - (3) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to 29 CFR §825 et seq.
- b. Eligibility Notice
- (1) When a staff member requests FMLA leave, or when the Board acquires knowledge that a staff member's FMLA leave may be for an FMLA-qualifying reason, the Board must notify the staff member of the staff member's eligibility to take FMLA leave within five business days, absent extenuating circumstances.
- c. Designation Notice
- (1) The Board is responsible in all circumstances for designating leave as FMLA-qualifying, and for giving notice of the designation to a staff member. The Board must notify a staff member whether the leave will be designated and will be counted as FMLA leave within five business days absent extenuating circumstances.

POLICY GUIDE

ADMINISTRATION

1643/page 39 of 41

Family Leave

- (2) If the Board requires paid leave to be substituted for unpaid FMLA leave, or that paid leave taken under an existing leave plan be counted as FMLA leave, the Board must inform a staff member of this designation at the time of designating the FMLA leave.

12. Local Board of Education Practices

a. Substitution of Paid Leave

- (1) Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable.

b. Maintenance of Staff Member Benefits

- (1) The Board must maintain a staff member's coverage under any group health plan on the same conditions as coverage would have been provided if a staff member had been continuously employed during the entire FMLA leave period.

C. Shared Provisions

1. Interference with Family Leave Rights

The NJFLA and the FMLA prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the NJFLA and the FMLA nor discouraged from the use of family leave.

3. Record Keeping

The Superintendent or designee shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave so a staff member's entitlement to NJFLA leave and FMLA leave can be properly determined.

4. Processing of Complaints

a. New Jersey Family Leave Act

- (1) Any complaint alleging a violation of the NJFLA shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.

b. Federal Family and Medical Leave Act (FMLA)

- (1) If there is a dispute between the Board and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the Superintendent or designee. Such discussions and the decision shall be documented by the Superintendent or designee.
- (2) A staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor.  - (2) The names and responsibilities of all individuals involved in sampling; and
 - (3) The following sampling procedures:
 - (a) Samples shall be taken after water has sat undisturbed in the school pipes for at least eight hours, but no more than forty-eight hours before the sample is taken.

2415 EVERY STUDENT SUCCEEDS ACT ~~NO CHILD LEFT BEHIND~~ PROGRAMS

The ~~No Child Left Behind Act (NCLB)~~ of 2001 **Every Student Succeeds Act (ESSA)** is a reauthorization of the Elementary and Secondary Education Act (ESEA)/~~Improving America's Schools Act (IASA)~~ 1994, **of 1965 that provides providing Federal funds** to help all New Jersey's school children achieve, ~~at a minimum, proficiency in the State standards.~~ **NCLB embodies four key principles or pillars of education reform: accountability, flexibility, choice, and methodology.** **The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps.** The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under **the ESSA NCLB** and the district will comply with the requirements of all the programs authorized by **the ESSA NCLB**.

The district may be eligible for several grant programs funded through **the ESSA NCLB**, including, but not limited to, Title I through Title VII. Many of the Titles of **the ESSA NCLB** have several parts and subparts that provide a funding source for specific purposes.

Application Procedure

The district will submit an annual **ESSA No Child Left Behind Consolidated Formula Subgrant Application** to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and **the ESSA NCLB** for the district to be considered for funding under **the ESSA NCLB**.

Covered Programs

Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. These formula grants for each Title are committed to different purposes and may be used to support different activities and programs.

PROGRAM

Every Student Succeeds Act
No Child Left Behind Programs

The intent of NCLB is that all children will meet State academic achievement standards to reach their potential through improved programs. The NCLB Consolidated Formula Subgrant includes the following programs:

1. Title I, Part A provides the programs and resources for disadvantaged students to meet this intent. It requires the State and the district to close the achievement gap by placing a highly qualified teacher in every classroom, improving the qualifications of paraprofessionals who work with disadvantaged students, and using instructional practices that have proven to be effective.
2. Title I, Part D serves neglected and delinquent youth in institutions, community day programs, and correctional facilities to assure they also attain high academic levels of performance.
3. Title II, Part A provides the resources for improving teacher and Principal quality and increasing the number of highly qualified teachers and Principals in classrooms and schools, thereby raising student achievement in the academic subjects. It focuses on preparing, training, and recruiting high-quality teachers and Principals and requires the State to develop plans with annual measurable objectives that will ensure all teachers teaching in core academic subjects are highly qualified by the end of the 2005-2006 school year.
4. Title II, Part D facilitates comprehensive and integrated educational technology strategies that target the specific needs of individual schools. It improves student academic achievement through the use of technology in elementary and secondary schools, while addressing the digital divide such that every student is technologically literate by the end of eighth grade. Effective integration of technology resources and systems with teacher training and curriculum development are encouraged in order to identify and showcase best practices in educational technology.
5. Title III, Part A focuses on the teaching of English to limited English proficient (LEP) children, including immigrant children and youth.

6. ~~Title IV, Part A provides resources for fostering a safe and drug-free learning environment that supports academic achievement.~~
7. ~~Title V, Part A provides a flexible source of funding to help districts in the development and implementation of various innovative reform initiatives.~~
8. ~~Title VI, Part B addresses the unique needs of rural school districts.~~
9. ~~Title IX covers the general provisions applicable to some/all of the programs.~~

~~Throughout NCLB, the use of solid research to improve teaching and learning as well as student behavior is required and promoted, and parent(s)/legal guardian(s) are provided with information and options to improve the educational opportunities provided for their children. The emphasis on scientifically based methodology encourages the use of teaching techniques and practices that are founded on research and proven to produce positive results.~~

Title I

The largest Federal program supporting elementary and secondary education is Title I. **The ESSA NCLB** strengthens Title I requirements for the State's assessments, accountability system, and support for school improvement. The law also establishes **requires** minimum qualifications for teachers and paraprofessionals in Title I programs.

The school district must use the best available measure for identifying children from low-income families to: identify eligible school attendance areas, determine the ranking of each area, and determine allocations as identified in the Title I guidelines and regulations.

The school district will offer Title I services to eligible children enrolled in private elementary and secondary schools. The services and benefits will be equitable in comparison to services and benefits for participating public school children.

POLICY GUIDE

PROGRAM

The school district will provide the New Jersey Department of Education assurances it will provide the maximum coordination between the Title I program, the regular school program, and services provided by other programs for specialized populations. The Title I program will consider the special needs of homeless children, migrant children, children with disabilities and limited English proficient ~~(LEP)~~ **Language Learner (ELL)** children. Title I funds will be reserved so that migrant children who are otherwise eligible to receive Title I services, even if they arrive during the school year, are served.

Type of Title I Program

The school district will offer a Target Assistance (School-wide or Target Assistance or Public School Choice) Title I program.

☐ School-wide Program

High-poverty schools (a school with at least ~~these with~~ 40% poverty or any school below 40% poverty with a waiver issued by the New Jersey Department of Education) ~~more students from low income families~~ are eligible to adopt school-wide programs to raise the achievement of low-achieving students by improving instruction throughout the entire school, thus using Title I funds to serve all children in the school. A school-wide program must be established in accordance with the Title I guidelines and regulations and the New Jersey Department of Education.

☒ Target Assistance Program

Schools that are not eligible for (or do not choose to operate) school-wide Title I programs must use Title I funds to provide targeted services to low-achieving students. Employment of Support Staff Members

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

A support staff member's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

Political Contribution Disclosure Requirements

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a contract to any business entity receiving a contract with an anticipated value in excess of \$17,500, regardless of the basis upon which the contract is awarded:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (anytime prior to award).

“Business entity” means a **for-profit entity that is a** natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

The \$17,500 contract amount is not related to the Board’s bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district’s fiscal year, a PCD form shall be required.

Political Contributions

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a “public emergency” that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education “Approved In-State Private School for the Disabled.” Chapter 271 also applies to in-State private special education schools, ~~supplemental~~ educational services under **any Federally funded program** NCLB, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

8330 STUDENT RECORDS

The Board of Education believes that information about individual students must be compiled and maintained in the interest of the student's educational welfare and advancement. The Board will strive to balance the student's right to privacy against the district's need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

General Considerations

The Board of Education shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

A nonadult student may assert rights of access only through his or her parent(s). However, Nothing in this Policy N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

No liability shall be attached to any member, officer, or employee of the Board of Education permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.1 et seq.

Student Information Directory

A student information directory is a publication of the Board of Education that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption.

In the event the school district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the school district from including any or all types of information about the student in any student information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and P.L. 107-110 sec. 9528, **20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Elementary and Secondary Education Act (ESEA) of 1965 No Child Left Behind Act of 2001. In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.**

School Contact Directory for Official Use

A school contact directory for official use is a compilation by the school district that includes the following information for each student: name; address; telephone number; date of birth; and school enrollment. The district shall compile and maintain a school contact directory for official use that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use the parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing.

Mandated and Permitted Student Records

Mandated student records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting Policy and Regulation 8330, which will list such permitted records.

Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. Records shall be accessible during the hours in which the school program is in operation.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

Access to and disclosure of a student's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

Nothing in N.J.A.C. 6A:32-7.1 et seq. or in Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

Retention and Disposal of Student Records

A student record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the school district. 3431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self care because of mental or physical impairment.

2415.01 ACADEMIC STANDARDS, ACADEMIC ASSESSMENTS, AND ACCOUNTABILITY

The No Child Left Behind Act of 2001 (NCLB), a reauthorization of the Elementary and Secondary Education Act (ESEA), requires New Jersey to implement a single accountability system to include challenging academic content and academic achievement standards. The accountability requirements under NCLB were built on the foundation of the former Improving America's Schools Act (IASA).

To meet the Federal requirements, New Jersey has adopted the New Jersey Single Accountability System. State assessments in language arts literacy and mathematics are based on the New Jersey Core Curriculum Content Standards. All students enrolled in New Jersey public schools, plus all student subgroups, must meet the proficiency benchmarks to ensure the goal of 100% proficiency. Students must score either "proficient" or "advanced proficient" on the assessments to be counted toward meeting the benchmarks.

Schools are evaluated using adequate yearly progress (AYP) indicators. Student achievement is determined by grade span (Elementary School—grades three through five, Middle School—grades six through eight, and High School—grades nine through twelve) and in each content area. There are indicators that must be met (including participation and proficiency rates) plus a secondary indicator. A safe harbor calculation is applied to measure significant progress if the benchmark is missed. When a school does not meet AYP for two consecutive years in the same content area, it is designated as a "school in need of improvement."

AYP shall be calculated for all New Jersey schools under the provisions of NCLB. Schools that do not meet AYP as defined under NCLB are placed into one of the following categories. Title I schools in need of improvement must implement the sanctions for each category.

Year 1 – Early Warning: A school that does not make AYP for one year is placed into "early warning" status.

2415.03 - HIGHLY QUALIFIED TEACHERS

The No Child Left Behind Act (NCLB) requires all teachers be or become highly qualified in the core academic content area(s) they teach in accordance with the United States Department of Education and the New Jersey Department of Education highly qualified teacher requirements.

Teachers who have achieved highly qualified status retain highly qualified status permanently for the teaching assignment designated on the approved highly qualified teacher forms. No teacher providing direct instruction in core content areas is grandfathered or exempt from this process.

The district shall maintain the appropriate highly qualified documentation for all teachers who provide direct instruction in core content areas. When a teacher changes teaching assignments, which requires different content expertise, additional highly qualified teacher forms must be completed and kept on file within the district. Highly qualified teacher documentation should be completed for all new teachers and for those with new teaching assignments at the beginning of each school year.

When a teacher obtains employment in a new school district, the new district must contact the previous place of employment to have the teacher's official highly qualified teacher forms sent to the new district. A teacher hired from another State must hold New Jersey certification and must meet New Jersey's highly qualified teacher requirements. Out of State teachers may provide documentation to support their highly qualified teacher status from the previous State in which they taught.

All Title I schools must send out a Right to Know letter in the beginning of every school year informing parent(s) or legal guardian(s) that they have the right to know the qualifications of their child's teacher. The letter should be sent by all Title I and non Title I districts. In addition, in all Title I schools, the parent(s) or legal guardian(s) of students whose teacher is not yet highly qualified must be notified. Copies of these letters must be kept on file in the school.
